

# ABOUT

The Refinery Rooftop is the crown jewel of the Refinery Hotel, a turn-of-the-century hat factory turned luxury hotel located in the historic Garment District of New York.

With a year-round rooftop lounge and breathtaking Empire State views, the Refinery Rooftop offers world travelers and city dwellers alike a quintessential New York City experience.

At the bar, cocktails are beautifully hand crafted, pairing both exotic and everyday natural ingredients to delight and surprise the senses.

Chef Nistorescu takes a straightforward and rustic approach in his kitchen, relying on high quality and locally-sourced ingredients combined to produce balanced and approachable New American dishes.
