

TIPPING OUR HAT TO 10 YEARS!

We are celebrating our 10th year in this great city by highlighting the history of our building. Refinery Hotel is the modern reinterpretation of the Colony Arcade—a former hat factory and Prohibition-era tea room. **As you look through our menu you'll notice we have a few menu items that are noted by the hat logo above.** These items were created by our team to “tip our hat” to our birthday! Cheers!

Refinery Rooftop is the crowning jewel of Refinery Hotel named America's #1 Rooftop Bar & Hotel Bar for 3 consecutive years by USA Today. With awe-inspiring views of the Empire State Building and Manhattan Skyline, Refinery Rooftop is one of NoMad's most dynamic spaces. The industrial chic design features repurposed water tower wood, vaulted brick walls and archways, terra cotta tiles, fairy lights, and a retractable glass roof atrium as well as a water fountain and fireplace. Refinery Rooftop is an all-season venue open 7 days a week serving lunch, brunch, dinner, and open for late night cocktails.
